Brand Unknown Name Pest Killer Type / number of model PA-20B Batch number / Barcode Unknown DECD Portal Category 78000000 - Electrical Supplies Description Blue box with no brand name containing a white electrical insect killer with metal grill. Country of origin China Alert submitted by United Kingdom Risk type Electric shock Technical defect The products lacks a protective earth connection. Risk As a result, the user could receive an electric shock. The product does not comply with the requirements of the Low Voltage Directive and the relevant European Standard EN 60335. Measures adopted by notifying country Destruction of the product	Product user	Consumer
Name Pest Killer Type / number of model PA-20B Batch number / Barcode Unknown DECD Portal Category 78000000 - Electrical Supplies Description Blue box with no brand name containing a white electrical insect killer with metal grill. Country of origin China Alert submitted by United Kingdom Risk type Electric shock Technical defect The products lacks a protective arth connection. Risk As a result, the use rould receive an electric shock. The product loces not comply with the requirements of the Low Voltage Directive and the relevant European Standard EN e0335. Measures adopted by notifying country Destruction of the product	Product	Insect killer
Type / number of model PA-20B Batch number / Barcode Unknown DECD Portal Category 78000000 - Electrical Supplies Description Blue box with no brand name containing a white electrical insect killer with metal grill. Country of origin China Alert submitted by United Kingdom Risk type Electric shock Technical defect The products lacks a protective earth connection. Risk As a result, the user could receive an electric shock. The product does not comply with the requirements of the Low Voltage Directive and the relevant European Standard EN 60335. Measures adopted by notifying country Destruction of the product	Brand	Unknown
Asatch number / Barcode Unknown DECD Portal Category 78000000 - Electrical Supplies Description Blue box with no brand name containing a white electrical insect killer with metal grill. Country of origin China Alert submitted by United Kingdom Risk type Electric shock Technical defect The products lacks a protective earth connection. Risk As a result, the user could receive an electric shock. The product ges not comply with the requirements of the Low Voltage Directive and the relevant European Standard EN 60335. Measures adopted by notifying country Destruction of the product	Name	Pest Killer
DECD Portal Category 7800000 - Electrical Supplies Description Blue box with no brand name containing a white electrical insect killer with metal grill. Country of origin China Alert submitted by United Kingdom Risk type Electric shock Technical defect The products lacks a protective earth connection. As a result, the user could receive an electric shock. The product lacks not comply with the requirements of the Low Voltage Directive and the relevant European Standard EN 60335. Measures adopted by notifying country Destruction of the product	Type / number of model	PA-20B
Description Blue box with no brand name containing a white electrical insect killer with metal grill. Country of origin China Alert submitted by United Kingdom Risk type Electric shock Technical defect The products lacks a protective earth connection. Risk As a result, the user could receive an electric shock. The product does not comply with the requirements of the Low Voltage Directive and the relevant European Standard EN 60335. Measures adopted by notifying country Destruction of the product	Batch number / Barcode	Unknown
Description Insect killer with metal grill. Country of origin China Alert submitted by United Kingdom Risk type Electric shock Technical defect The products lacks a protective earth connection. Risk As a result, the user could receive an electric shock. The product does not comply with the requirements of the Low Voltage Directive and the relevant European Standard EN 60335. Measures adopted by notifying country Destruction of the product	OECD Portal Category	78000000 - Electrical Supplies
Alert submitted by United Kingdom Risk type Electric shock Technical defect The products lacks a protective earth connection. Risk As a result, the user could receive an electric shock. The product does not comply with the requirements of the Low Voltage Directive and the relevant European Standard EN 60335. Measures adopted by notifying country Destruction of the product	Description	Blue box with no brand name containing a white electrical insect killer with metal grill.
Risk type Electric shock Technical defect The products lacks a protective earth connection. Risk As a result, the user could receive an electric shock. The product does not comply with the requirements of the Low Voltage Directive and the relevant European Standard EN 60335. Measures adopted by notifying country Destruction of the product	Country of origin	China
Technical defect The products lacks a protective earth connection. Risk As a result, the user could receive an electric shock. The product does not comply with the requirements of the Low Voltage Directive and the relevant European Standard EN 60335. Measures adopted by notifying country Destruction of the product	Alert submitted by	United Kingdom
As a result, the user could receive an electric shock. The product does not comply with the requirements of the Low Voltage Directive and the relevant European Standard EN 60335. Measures adopted by notifying country Destruction of the product Image: Comparison of the product Image: Comparison of the product	Risk type	Electric shock
Risk product does not comply with the requirements of the Low Voltage Directive and the relevant European Standard EN 60335. Measures adopted by notifying country Destruction of the product	Technical defect	The products lacks a protective earth connection.
	Risk	product does not comply with the requirements of the Low Voltage Directive and the relevant European Standard EN
	Measures adopted by notifying country	Destruction of the product
